Edition 2

A busy week in Mullaglass, have a read at what we have been getting up to!

Mr Greenaway

Acting Principal

BEAM Puppet Show (18.01.2019)

Our teacher says...

A week of fractions, poetry and puppets! P6 and P7 have been kept very busy, but produced some great work. They even found time to build a whole Solar System!

Mr Bradshaw P6/7

This week we have been learning lots of new facts about Winter. We have been recording the daily weather in our weather diary. The children are very excited to see if the snow is on its way or not!

Miss Doyle P3

P4 and P5 have been busy this week working on long subtraction with borrowing across the zero and completing a maths investigation on measure. In literacy, we have been focusing on creative writing; writing instructions for how to make a cup and ball and also writing a piece of creative writing linked with our new class novel 'The Awful Auntie'. Lots of art activities throughout the week too. Super work everyone 😊

Mr Greenaway / Miss McKeown P4/5

This week we had our Shared Education day with Ballymoyer PS focusing on outdoor play. The children had so much fun, taking part in a range of activities. In numeracy, we have been focusing on addition and subtraction in P2 and in P1 we have been learning about counting money. For our high frequency words, our new farm animal next week will be pigs! All the P1 and P2 pupils have worked super hard.

Mrs Ward P1/2

Afterschool Clubs - some snaps from our range of clubs this week! Further afterschool clubs to come this week!

Road Safety Team

Road Safety Team

Our Road Safety representatives took part in the Newry and Mourne Road Safety Quiz at the Canal Court on Wednesday. Reuben Wylie, Lily Alderdice, Louise Morrow and Lily McCartney faced questions ranging from general knowledge to road safety. We finished 10th out of 22 which was impressive seeing that the quiz was very challenging. Great job everyone. Thanks to Mr Bradshaw for helping prepare the children.
