Edition 4

Our teacher says...

P2 have been using the balance scales this week in numeracy for heavier and lighter activities. P1 have been comparing two units using the word 'fewer'. We have been typing up a shopping list for the farm as well as a farm poem! Our new farm animal for high frequency words next week will be the hen.

Mrs Ward P1/2

In Literacy this week we have been writing acrostic poems about Winter. We have been focusing on time in numeracy including o'clock, half past and quarter past. The children have enjoyed making penguins using a sock and other items.

Miss Doyle / Mrs McArdle P3

We have been feeling a little 'spooky' in class this week. We have been reading our class novel the Awful Auntie and hearing all about the spooky Saxaby Hall. Using this theme, we have been writing haunted house stories for our creative writing. The children enjoyed this very much (especially the scary music!) and will design a story book next week before reading their story to the older class. We have been focusing on multiplying and dividing by 10 and 100 across the decimal point as well as 3D shapes in numeracy. Keep an eye out for our haunted house art work.

Mr Greenaway / Miss McKeown P4/5

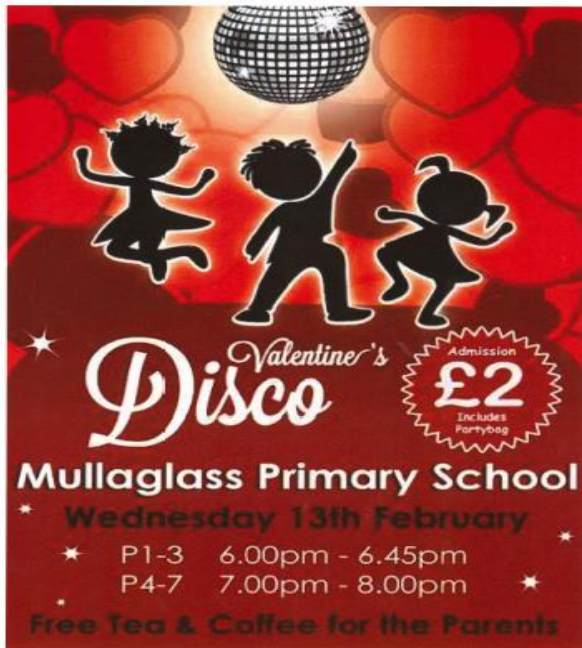

Another busy week has seen P6 complete some wonderful art pieces, based on the work of Peter Thorpe. Whilst P7 continue to build some fascinating information brochures on their topic space.

Mr Bradshaw P6/7

It was great to see our new Art Club start up this week with Miss Doyle. I hope P3-P7 parents enjoy looking through our literacy and numeracy class books next week. This will give parents the opportunity to get a flavour of the various topics/genres that the children in Mullaglass are learning about. Well done on Harry, Louise and Sarah for their impressive AQE results - we are very proud of your achievements. See everyone on Monday!
